*The Foxes Boxes*, using the theme, “think outside, eat inside”, was dreamed up in 2015 by the Fox Family—a mom, dad, and three teenagers, who shared a passion for affordable, creative, eateries that also embraced their passion for social causes.

*The Foxes Boxes* is home of the *TFB Externship Academy*, whose mission aims to inspire and empower individuals with employment barriers by providing innovative on-the-job training.

*The Foxes Boxes* restaurant offers a variety of affordable fresh food in an urban food desert, with meat, vegetarian, and vegan options mostly made from scratch.

Follow *The Foxes Boxes* on Facebook and Instagram for specials, and inspiring events!
